

JUDGE BULSARA'S LAW CLERK HIRING

(as of January 2026)

Judge Bulsara has completed hiring through mid-2028. Consistent with the timeframes in the Federal Law Clerk Hiring plan for current law school students, he will consider and accept applications for one-year clerkships for 2028-29 (three openings). Applicants may only apply through OSCAR; hard-copy mail applications are not accepted.

Interviews: Judge Bulsara will not begin scheduling interviews until applications from current 2Ls/rising 3Ls are released on OSCAR, i.e., June 2026, including for recent graduates who apply. He expects to conduct interviews in June and July 2026. Judge Bulsara's primary chambers are at the Eastern District's Central Islip Courthouse and in-person interviews will be held there.

Calls to Chambers: Law students and their recommenders are strongly encouraged not to call chambers with inquiries or references. Such phone calls will not be returned.
